

Fun for the family

PEOPLE of all ages enjoyed a range of activities at a Multicultural Family Fun Day.

Saturday's event, held at the Steeple Church in the Nethergate, was aimed at showcasing the cultural richness of Dundee.

Entertainment included a special performance from a Chinese lion, which was brought to the event by the Dundee Chinese School. An Indian Dhol player also performed alongside a Scottish bagpiper and an African drummer and Scottish singer provided entertainment.

There was a range of food on offer from all corners of

the globe and kids could also take part in a variety of crafts.

The fun day was backed by the Dundee International Women's Centre. The group works with women in the city to provide support, advice, learning and social skills to allow them to live the best life possible.

Caroline McKenna, the centre's CEO, said: "The event's main purpose was to celebrate all the different cultures in Dundee. With more than 130 adults and children in attendance we couldn't get them out at the end!"

"We are now looking to make this an annual event as it was such a great success."
